

Dear client,

This year, ISEND will be exhibiting at the METEC DUSSELDORF Fair, the world's most important metallurgical trade fair with congresses, from the **25<sup>th</sup> to the 29<sup>th</sup> of June 2019** in **Hall 3 Booth A59**, where we will show all our new products and latest technological advances in inspections by Eddy current and Artificial Vision.

We are pleased to invite you to visit us. During the fair:

- Daily demonstrations of the operation of our systems on your products.
  - A full EDDYeyes HOT solution for wire rod and HBQ bars testing.
  - A full HOTdiscover PRO solution for high performance testing in hot rolling mill.
- Personalized assistance from our technical staff to answer all your questions on issues related to the quality inspection of your product.

In addition, we also let you know that on **Wednesday, 26<sup>th</sup> of June**, we will carry out a lecture that in our opinion could be of your interest,

- At 15:30 p.m. **“IMPROVING PERIODIC DEFECTS DETECTION IN HOT ROLLED LONG PRODUCTS”** by Mr. Bruno Chedal-Anglay.

Registration cost is of 300,00€, that must be made effectively once you've been registered by bank transfer. To attend, please register in [sales@isend.es](mailto:sales@isend.es), as seating will be limited. Reservations will be recorder in order of registration.

If you wish to visit us, please reply us at [sales@isend.es](mailto:sales@isend.es) . We will be glad to send you a free invitation.
